BETTER BANDS FOR NEBRASKA

8th Grade All-State

Jazz Band Audition Information

Changes for 2023-24

After consulting with middle level directors, clinicians, and the NSBA board, we will be making a couple changes going forward. **Students will now be expected to improvise TWO choruses over Bb Blues changes as opposed to the previous one chorus.** It will still be 12-bar blues, but it will repeat to allow the student more time to develop their ideas for a total of 24 measures. Lastly, **we will be accepting two drum set players instead of the previous one.**

Dates and Audition Submission

All auditions must be recorded by the school and submitted digitally. Audition materials are to be **submitted by midnight, Saturday, October 7, 2023 to Zac Konrad.** Entries will be submitted through a Google Form. More info on this as the audition deadline approaches. **The event will take place on Saturday, January 6th, 2024 with a weather makeup day the following Saturday, January 13th, 2024.** Both dates will take place in Kearney, NE at Kearney High School. Please be sure students are available for **both** dates before auditioning.

Audition Materials

Winds and Vibes audition pieces will be taken from **The Real Easy Book** by Sher Music Co. You will need the B-flat, E-flat, Bass Clef and C versions of this book. The page numbers correspond to the latest "3-Horn Edition" of The Real Easy Book. **Tenor Saxophones will use the B-flat book for the auditions.**

Audition Requirements

Students may choose to audition on one or more instruments. Any student trying out on multiple instruments needs to clearly indicate order of preference if selected to multiple ensembles/instruments on their forms. A separate form should be submitted for each instrument on which a student auditions. Audition procedures for jazz band can be found below.

Jazz rhythm section etudes and improv backing tracks can be found on the NSBA website. <https://nsbma.org/8th-grade-all-state-home>
